

CITRUS 99 PLUS

Foliar Liquid Nutritional

INFORMATION

SunGlo Citrus 99 Plus is a liquid foliar formulation designed for maximum uptake of manganese and zinc. Since Citrus 99 Plus is easily assimilated by both leaves and woody tissue, it is very effective as a foliar spray to prevent and correct deficiencies on fruit and most other crops. When added to the spray tank first it will aid in lowering water pH. The addition of a non-ionic surfactant will aid in uptake. Check the compatibilities of untried chemical mixes.

DIRECTIONS FOR USE

SunGlo Citrus 99 Plus should be applied as needed starting with the first spray at 2 to 4 gallons per application in 100 gallons of water. Aerial Application: 1 to 2 gallons per acre in 5 to 15 gallons of water.

CROP RECOMMENDATIONS

Fruit & Nuts: Citrus, Avocados, Mangos, Peaches, and Pecans. Mature Trees: Apply 1 to 2 gallons per acre per application. Young Trees: Apply 1 to 2 gallons per 100 gallons water and wet to run off. Applications every 4 to 6 weeks throughout growing season have given excellent results.

MINIMUM GUARANTEED ANALYSIS

Total Manganese as Mn.....	4.24%
Water Soluble Manganese as Mn.....	4.24%
Total Magnesium as Mg.....	1.5%
Water soluble Magnesium as Mg.....	1.5%
Total Zinc as Zn.....	5.64%
Water Soluble Zinc as Zn.....	5.64%
Total Boron as B.....	0.25%

Derived from Magnesium Glucoheptonate, Sodium Borate, Manganese Glucoheptonate and Zinc Glucoheptonate

CAUTION

KEEP OUT OF REACH OF CHILDREN

MANUFACTURED BY:

200 S.R. 70 WEST

LAKE PLACID, FL 33852

WEIGHT PER GALLON 11.04 LBS.

FLLN: 538

CAUTIONS

Avoid getting in eyes, mucous membranes or on skin. Use with adequate ventilation. Keep container capped when not in use. Keep away from children. Do not contaminate water supplies.

PRECAUTIONS

- (1) Do not use with liquid foliar or ground fertilizer containing phosphates.
- (2) When compatibilities are unknown or questionable contact your supplier or use a jar compatibility test.
- (3) The final tank mix should not be below 5 pH.

ANTIDOTES

Skin or eye contact: Flush thoroughly with water and see a physician. Internal: Induce vomiting if conscious and get medical attention at once.

CONDITIONS OF SALE

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the directions under normal conditions of use. Crop injury ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials or the manner of use or application, all of which are beyond the control of seller. In no case shall seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. Seller makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above
